***A \$65 non-refundable application fee must accompany this application to ensure placement.** If you have multiple children, the fee will not exceed \$100/family. If for some reason, we cannot place your child, the application fee will be refunded. The Bucket School reserves the right to cancel a particular class as a result of insufficient registration. All programs run September-May. **Checks may be written out to First Presbyterian Preschool.**

*The above tuition payments are for the entire year, and the monthly payments are due the first of the month of August-April.

*If you remit the yearly tuition in full by August 1, 2021, a 3% discount will be given.

*A 5% discount is granted to a younger sibling attending the school.

*Scholarship assistance is available based on need. Please contact Jen Drap at jdrap@firstpreswc.com for forms. Since funds are limited, all forms must be received by May 1, 2021 for consideration.

*If you have children in different age levels coming for $\frac{1}{2}$ day classes, we will work with you to just have one drop off time and one pick up time for both children. If you have any questions, please don't hesitate to ask.

Parents often ask for class lists for parties, playdates, etc. By initialing here I acknowledge that the use of my name, address, email, and phone number is okay for these purposes.

Please list any allergies, medical concerns, or special needs your child may have. If your child has an allergy, you will need to fill out an allergy action plan form (located on our website) and have it signed by your child's doctor.

Please list any concerns or hopes for your child as they enter The Bucket School.

To the best of my knowledge and belief, the information provided above is true, accurate, and complete.
