The Scoop/January 2020

The Bucket School Monthly Newsletter

Dear Parents,

Happy New Year to you all! I hope that you all had a joyous Christmas with your families. Christmas is always such a magical time with young children. We hope that you are enjoying a break from the routine. I am enjoying time at home with my family, and I know the rest of my staff is happy to have some down time.

Thank you to all of the parents and families who attended our annual pre-k Christmas pageant right before the break. It was absolutely adorable and the students did a great job. A huge thank you to Mrs. Falls, Mrs. Moffett, Mrs. Huebner, and Mrs. Mapa for teaching all of the songs and prepping for the pageant. It is no small undertaking.

We are looking forward to the next 5 months of this new year at The Bucket School. Lots of fun learning experiences and activities are in store for the children.

Registration

Thank you so much to all of the families who have registered for the 2019-2020 school year. Our older classes are filling up quickly and I have now started contacting families who have shown an interest by touring this past fall. If you have a younger sibling that you were thinking of signing up for one of our classes, please contact me asap to make sure that there is still an opening for them. I will open it up to the general public come January 10th. Please tell your family and friends about us!

Progress Reports/Conferences

Later on in the month, you will be receiving a progress report for your student. Conferences will be held at the end of January. Your child's teachers will be contacting you with a sign up. There will be no school on the day that your child has their conference. While we encourage you to find childcare for your kiddos at conference time, we will be offering babysitting during your conference time this year. We will offer it from 9-11:30 am on Thursday and from 9-12:30 on Friday.

Lunch Bunch and Enrichment

Please remember to sign your child up for some sessions of lunch bunch and enrichment this month. We have many fun things planned. The students love our gym Fridays with Mrs. Koons and Makin' Music with Mr. Dan. It is also great extending the day for our pre-k friends who will be off to full day kindergarten next year. If you have a pre-k student be sure to have them try a fun session of READ or STEAM on Thursday mornings with Mrs. Menan and Mrs. Sanders. It is a super fun morning!
